LETTER OF RECOMMENDATION

It gives me immense pleasure in recommending **Mr. Syed Mohammad Althaf** For the masters program at your esteemed university. I know him as an undergraduate student for three years. I have handled the course of **"Theory Of Machines"** and current project guider. This gives me an opportunity to judge his potentials and integrity personality as well as academically.

In this long association I has ample opportunity to assess his professional and personal abilities and I must say he has shown excellent interest in all his scholastic pursuits. He is a person with very good grasping and analysing capabilities.

I found him to be sincere, hardworking and highly motivated student. He has an inherent desire to improve and work towards perfection, which is quite evident from his academic record. He is always very eager to know about latest developments in his field of study. His planned efforts in preparation and presentation of reports and assignment have been impressive. In these years of acquaintance, I have found his ideas to be innovative and creative. His performance in departmental and class seminars was outstanding.

It is my pleasure to recommend **Mr. Syed Mohammad Althaf,** for pursing master degree at your esteemed university. I believe that he would prove himself to be a tremendous asset to your university. I totally endorse and strongly recommend this candidate to your university or graduate program and ensure that he is provided with suitable finding for his MS program.
